

Draft of Regulation of Food Allergen Labeling

Article 1

This regulation is established under the provision of Subparagraph 10 of Paragraph 1 of Article 22 of the Act Governing Food Safety and Sanitation.

Article 2

Prepackaged food products containing following substances which cause an allergic reaction in susceptible individuals shall be labeled with the warning information on the package:

- (1) Crustacea and products thereof.
- (2) Mango and products thereof.
- (3) Peanut and products thereof.
- (4) Sesame, sunflower seeds and products thereof.
- (5) Milk, goat milk and products thereof, except lactitol derived from milk and goat milk.
- (6) Egg and products thereof.
- (7) Nuts and products thereof, including almond, hazelnut, walnut, cashew nut, pecan, brazil nut, pistachio nut, macadamia nut, pine nuts, chestnuts etc.
- (8) Cereals containing gluten and products thereof, including wheat, barley, rye, oats etc.
- (9) Soybean and products thereof, except highly refined or purified soybean oil (fat), tocopherols and their deviation, phytosterols and phytosterol esters.
- (10) The use of sulphites and sulphur dioxide etc., at concentrations of 10 mg/kg or more in term of total SO₂ which are to be calculated for final products.
- (11) Salmon, mackerel, codfish, *Dissostichus eleginoides* (Yuan xue), *Reinhardtius hippoglossoides* (Bian xue) and products thereof.

Article 3

The warning information prescribed in Article 2 shall be labeled as either way:

- (1) Labeling on the package with the term of “This product contains _____”, “This product contains _____, unsuitable for susceptible individuals”, or other synonymous terms.
- (2)The product name claims _____.
